Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Evelyn Avenue Multi-Use Trail Project in surface transportation reauthorization legislation. The project sponsor is the City of Sunnyvale and the project is located on Evelyn Avenue in Sunnyvale, CA 94086. The funding is for \$3,800,000 and it will construct a Class I Multi-use path up to the Mountain View/Sunnyvale city limits, and in the future, the two cities will coordinate to connect the two proposed Class I trails, which will connect the Caltrain station and Downtown in the two cities.

This project is an appropriate use of taxpayer dollars and it will upgrade the existing Class II bicycle lane facility on Evelyn Ave. to a Class I Multi-use trail on the north side of the roadway between Bernardo Ave./western city limits and the Sunnyvale Caltrain Station/Mathilda Pl.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ro Khanna
Member of Congress
