Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for a New Signal Light at the Scott Creek Rd/ Zinfandel St intersection in surface transportation reauthorization legislation. The project sponsor is the City of Fremont and the project is located at the intersection of Scott Creek Road and Zinfandel Street in Fremont, CA 94539. The funding is for \$950,000 and it will go towards building a new traffic signal light. The intersection is also the planned crossing point for a new neighborhood pathway along the Hetch Hetchy pipeline corridor that connects local parks and schools.

This project is an appropriate use of taxpayer dollars and is anticipated to improve the safety of traffic and pedestrians traveling through the intersection of Scott Creek Road and Zinfandel Street. This intersection has experienced automobile crashes and a new signal light is anticipated to reduce them. The project aligns with Fremont's Vision Zero traffic safety program which is focused on providing safe pedestrian crossings, particularly across high-speed arterial streets. The project will begin construction within 12 months of funding availability.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ro Khanna
Member of Congress
