Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the North San Jose Bike Plan Implementation Project in surface transportation reauthorization legislation. The project sponsor is the City of San Jose and the project is located at twelve corridors in North San Jose, CA 95131. The funding is for \$3,838,348 and it will go towards the installation of new Class IV separated bikeways, upgraded Class II bike lanes to Class IV bikeways, and additional treatments and amenities including plastic bollards, concrete curbs, and parking protection.

This project is an appropriate use of taxpayer dollars and it will bring significant bikeway improvements to twelve corridors of North San José totaling almost eleven miles of new protected bikeways, providing access to housing, transit, jobs, and retail to local residents..

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ro Khanna
Member of Congress
