Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$3,000,000 in funding for the South Milpitas Boulevard Extension Bridge in fiscal year 2022. The entity to receive funding for this project is the City of Milpitas located at 455 E. Calaveras Blvd Milpitas, CA 95035.

The funding would be used to extend a bridge at South Milpitas Boulevard over Pennitencia Creek in Milpitas, CA 95035. The bridge would provide residents direct pedestrian and bicycle access to the Milpitas Transit Center.

The bridge would be a safe, direct, low stress access route for pedestrians and bicyclists traveling to the Milpitas Transit Center. Without this bridge, pedestrians and bicyclists would need to traverse a longer route along a high speed and high traffic expressway to get to the transit hub. This bridge aims to encourage transit ridership in the City and reduce carbon emissions and help fight climate change.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ro Khanna
Member of Congress
